GRESPOR TÉCNICO INSPIRATIONS

Grespor Técnico is a high-performance collection, produced with exceptional standards of endurance and durability. Suitable for high traffic areas it's ideal for public spaces where resistance and aesthetics come together.

With a wide range of colours, this collection completes it self with two anti-slip surfaces to cover all needs.

O Grespor Técnico é uma coleção de alto desempenho, produzido com padrões excepcionais de resistência e durabilidade adequado para áreas de alto tráfego e ideal para espaços públicos onde resistência e estética se unem e são obrigatórias.

Com uma ampla variedade de cores e espessuras, esta coleção completa-se com duas superfícies antiderrapantes para atender todas as necessidades.
