The Serenity collection is distinguished by its delicacy; it's like bringing a bit of nature inside and enjoying its benefits in the comfort of our homes. Its three colors go hand in hand with tranquility, its graphic diversity allows the creation of unique vertical gardens where design and harmony go side by side with everyday life.

A coleção Serenity distingue-se pela sua delicadeza; é como trazer um pouco da natureza para o interior e desfrutar dos seus benefícios no conforto dos nossos lares. As suas três cores andam de mão dada com a tranquilidade, a sua diversidade gráfica permite criar jardins verticais únicos onde o design e a harmonia andam a par com o quotidiano.
