A  
CIMENTEIRA  
DO  
LOURO

eleve-se às alturas e mergulhe fundo  
nos mais belos ambientes

rise high and dive deep  
in the most beautiful environments

# SLOPE

SL \_29 N

Na vertigem do declive, dê asas à imaginação com Slope, obtendo efeitos originais e espaços únicos.

Excêntrica ou sutil, Slope é a protagonista versátil de múltiplas combinações, revestindo os ambientes de originalidade, criando e recriando a beleza à sua medida.

In the vertigo of the descent, let your imagination run free with Slope, getting original effects and unique spaces.

Eccentric or subtle, Slope is the versatile protagonist of multiple combinations, covering environments with originality, creating and recreating beauty to your measure.

Por se tratar de elementos pré-moldados artesanalmente, o produto poderá apresentar ligeira variação de dimensões.  
Because these are handmade precast elements, the product may present a slight variation in dimensions.

como um favo de mel,  
é feito para criar mundos únicos

shaped like a honeycomb  
to create amazing worlds

HEXA

HX \_28 N

Rainha do seu espaço, Hexa é a coleção que adoça a imaginação.  
Sugerindo-nos estruturas feitas de movimento, Hexa liberta-nos para a  
beleza de uma simetria que, em estado livre, se torna única. Solta, ela recria  
o nosso mundo.

Queen of its space, Hexa is the collection that sweetens the imagination.  
By suggesting structures made of movement, Hexa frees us for the beauty of a  
symmetry that, in a free state, becomes unique. Loose, Hexa recreates our world.

a arte imita a natureza,  
para revestir o mundo de beleza

art imitates nature to  
cover all up in beauty

# SQUAMA

SQ \_28 N

A natureza cria as formas que nos inspiram e, da sua riqueza e brilho, surge Squama.

De formas arredondadas, compondo sobreposições, Squama sugere escudos que se aglomeram para proteger o nosso mundo. Revestindo-o, geram uma nova beleza.

Nature creates the shapes that inspire us. From its richness and brightness, Squama emerges.

In rounded formats and in overlay, Squama suggests small shields joined together to protect our world. Coating it, this collection generates a new beauty.
